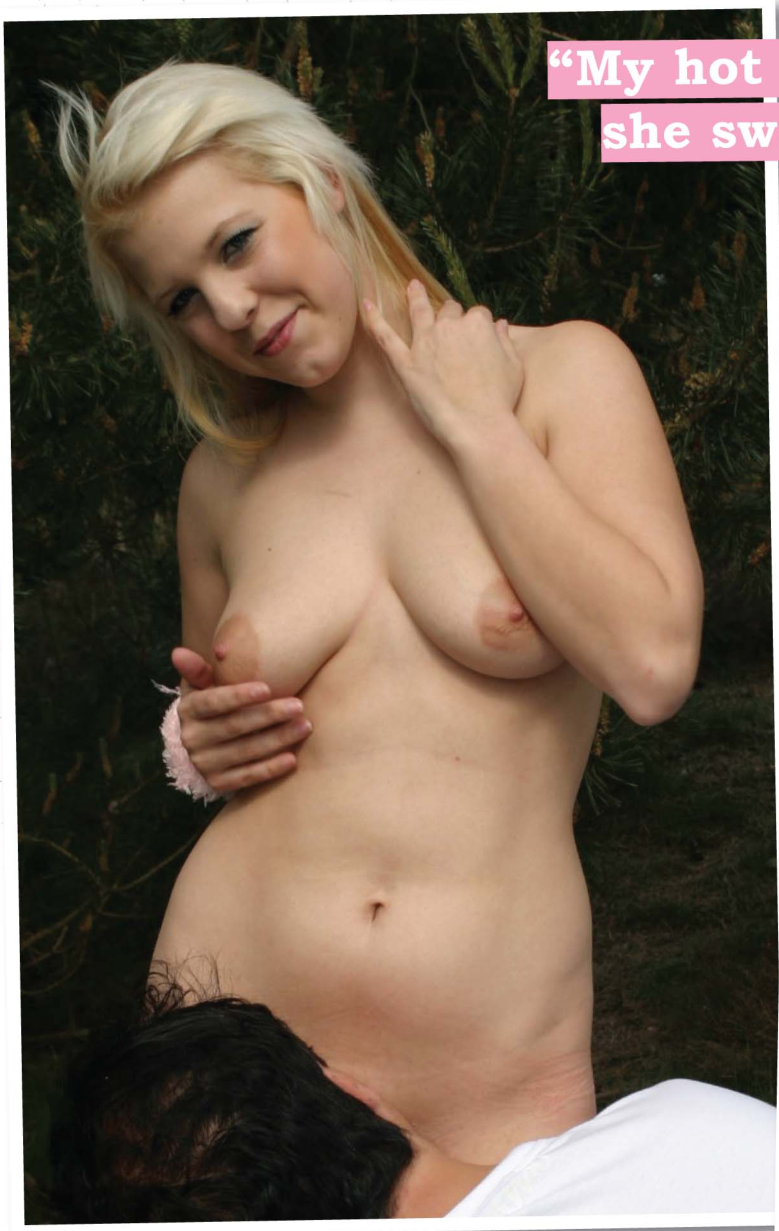
I just love the great outdoors

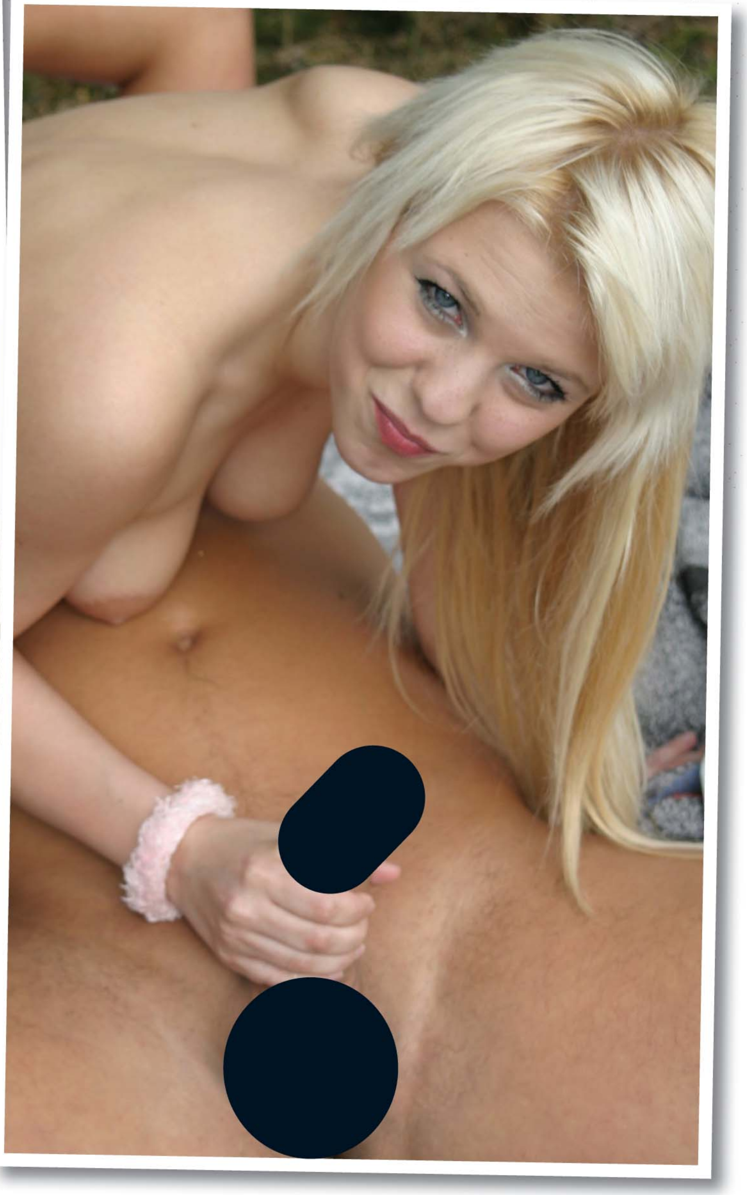


> "My hot cum shot into her mouth, she swallowed every last drop"

We were in the pub, my missus was already more drunk than usual and getting very flirtatious, teasing me with suggestive remarks, flashing her thong at me.

We left the pub and started to walk home, but she grabbed hold of my arm and said that she had an idea, threw her arms around me and gave me a big wet lingering kiss, feeling my enormous erection, and commenting on how I was. She told me to follow her so she could do something about it.

She dragged me into the bushes, up against a tree trunk and unzipped my trousers. She continued to



snog me, rubbing my hard prick, then fell to her knees and took me in her gorgeous wet mouth.

She sucked me like never before, and as you can imagine, I didn't last long. My hot cum shot into her mouth, she swallowed every last drop!

By now, she was in dire need of a shag! She pulled up her skirt, stepped out of her thong, laid on her back on the dirt and ordered me between her legs.

I couldn't resist going down on her first! But whilst I was doing that, there was someone approaching, which just turned us on even more! I couldn't wait to fuck her anymore, so I lifted her legs up on to my shoulders and slipped my huge erection into her and fucked her fast and furiously until she came all over me. I could feel her juices running down my shaft and balls.

The bloke was close enough now for me to see that he was playing with himself in his trousers. My girlfriend got nervous and said she wanted to carry on at home, so we quickly dressed ourselves and made our way home.

I went straight into the kitchen to warm us up, thinking about how horny I was. I turned round, and there she was, standing in the doorway dressed as a schoolgirl. "Come and ravish me, darling!" she said with a cheeky grin. Now who says romance is dead?

Keith, Gloucester.

KEN DO

My wife was recognised by a man called Ken in a bar. He had seen her in the mag and asked her if the stories in Razzle were true and she said that they were.

She arranged to meet him later that night, while I was there.

We had a drink and we all went back to our apartment as Ken said he was sharing with blokes.

I went to the loo and when I got back Lynn was saying to Ken in the kitchen that if he wanted any pics she would have to get changed first.

Ken asked if I minded and I said I didn't.

I went out to get a drink and the camera and when I came back Lynn was in her favourite little bunny girl outfit, fluffy tail and all, and was giving Ken a blowjob.

He was playing with her tits and moaning with pleasure. I was pretty turned-on and started to snap away with the camera.

By now they were getting right into it and I suggested the bedroom but Ken had other ideas. He took his cock out of her mouth and told her to get on all fours right there on the kitchen floor.

She didn't object and as she bent over he slipped her knickers to the floor. He rubbed his cock on her now sopping-wet pussy lips paying close attention to her clit before she took him in her aching cunt.

I carried on taking photos. Ken held her hips as he thrust faster and faster until he blew his load deep inside my wife's cunt. She came too, hard.

As he pulled out, Lynn looked over her shoulder at me and told me she needed a bit more of that.

After half an hour we all went into the bedroom. Lynn wasted no time getting my prick in her mouth and Ken shagged her from behind like he'd done before.

Lynn got a mouthful of my spunk and then beckoned Ken to lie down so she could straddle him. She gyrated on his cock and moved up and down, panting, on his rigid prick till she came for the second time.

What an insatiable wife!

Bob, Scotland.

ADREENA

Adreena is the girl with the dragon tattoo and if these photos are to be believed she's also quite the little cake maker! "I like baking and doing all sorts of other cooking but the problem is that I get easily distracted especially if my man is around. Let's just say we've both become very imaginative when it comes to food and sex. It's especially exciting if there's whipped cream and a cucumber in the fridge when we get a bit frisky. I'll let your readers' imagination run wild on that thought!"

"I enjoy masturbating and I love it even more when there's someone watching, and where else can I have a cheeky wank while five guys and girls are watching me than at the Paul Raymond offices. One of these days maybe one of the interns might pluck up the courage to fuck me while the rest of them watch, that would be great!"

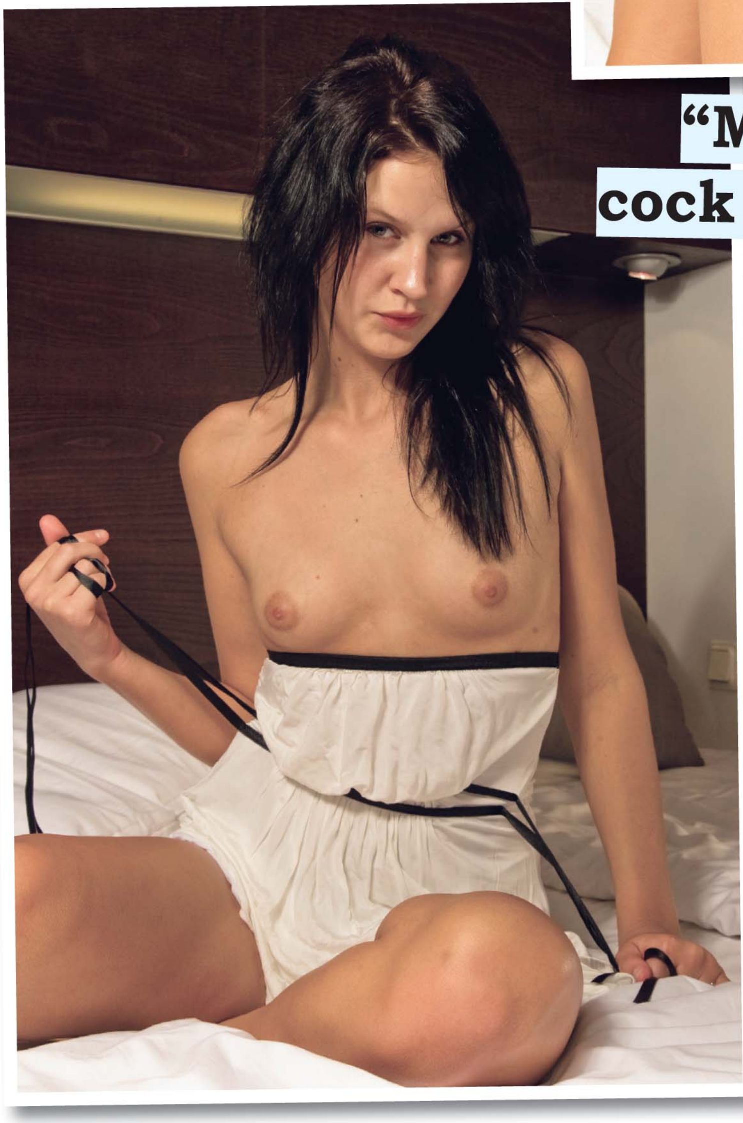
Shagaluf

Last summer I went to Magaluf in Majorca, and I would like to tell Razzle readers of an experience I had while I was there.

One night I went out to a bar called Bobby's. It was a fun night where all the bar staff (all girls) dressed in PVC, stockings and suspenders. Every so often they would go outside and get blokes to come in. Then they would tie their hands behind them and blindfold them. If the lads were game, they'd lead them to a small stage at one end of the bar.



> "My cunt was so wet his cock slid up inside me easily"

Once on the stage, all the girls (about seven of them) would start feeling the lads up, kissing and groping them. The ruder ones would get the blokes hands and rub them on their tits and pussies.

When the lads got into it, they would be forced towards a couple of chairs and held there while their pants were taken down. They'd be tied to the chairs and the game would begin.

When this happened to a couple of fit young blokes, the staff asked for a couple of girls to come on stage and see who could be first to make one of the lads cum.

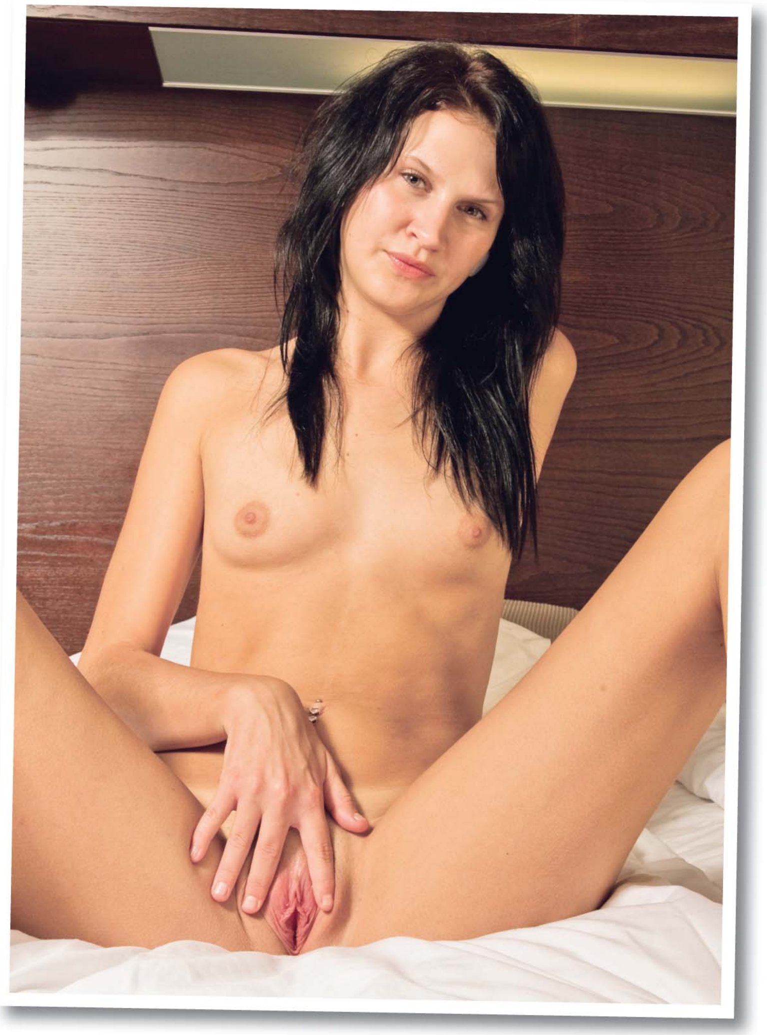
There was no shortage of volunteers, but as I was close to the stage I managed to get their first with my mate Sharon. We always have plenty of fun when we are out together, and I knew this would be no different.

We both removed our knickers and stood in front of the lads with our legs either side of theirs. Sharon looked at me and winked. Then she started to rub herself.

The lad sitting between her legs was enjoying the sight – I could tell by the state of his cock! I set to work on my guy.

I rubbed my fanny into his face, and as I swayed my hips he stuck his tongue out and licked my cunt. I turned around so my backside was in his face.

I bent forward steeply and took his cock in my mouth while he buried his tongue deep in my arsehole. I sucked enthusiastically on his cock as it grew harder and harder.



The girls in the bar were cheering us on, which made me and Sharon go for it even more. I turned around again and sat on my bloke's lap. My cunt was so wet his cock slid up inside me easily.

I looked over at Sharon and she was in the same position as me. We both started riding the lads. Then the bar girls untied them so they had the full use of their arms and legs.

My bloke stood up, turned me round and took me from behind. I reached forward and started feeling Sharon's tits. The sight of my hands on her tits made her bloke cum. Sharon jumped off his cock and knelt at the side of him so he could cum in her mouth. When he had finished she came over to me and kissed me full on the lips.

We opened our mouths so everyone could see the spunk transferring from her mouth to mine. This did the trick for my bloke and he filled my cunt with hotspunk.

This set me off, and as my cum juices mingled with his they ran out of my pussy, dribbled over his balls and spilled onto the floor. As we all stood up, the people in the bar clapped and whistled!

CRASH BANG

My other half ended up in hospital after he crashed his car whilst pissed as a fart.

Serves him right, I thought.

One of his mates, Simon, came round to see how I was doing. He poured me a big glass of wine and gave me a hug – then stayed sitting with his arm around me. Just friendly and comforting but I knew he'd always had a bit of a thing for me.

And I was pissed off enough with my bloke to take advantage. I steamed in for a snog, taking him off guard, and by the time he thought it might be a bad idea his tongue was already down my throat.

I asked had he ever fantasised about fucking me. "Yeah…" he said, blushing slightly, then grinning as he added, "In all three holes."

"OK," I said, "One down…" and kissed my way down over his bare chest before undoing his trousers and springing out his cock.

I'd obviously been turning him on for the last couple of hours because it only took a few minutes of sucking to bring him off.

Next up, I let him do me in my pussy. He took it slow, making the most of his chance to fuck me, but I think we both had our minds on what was to come.

Even as his cock was in my snatch his hands were all over my arse – that's where he really wanted to be, the dirty git.

I don't even let my other half do me up the wrong 'un often, but remember, I was still pretty pissed off at him.

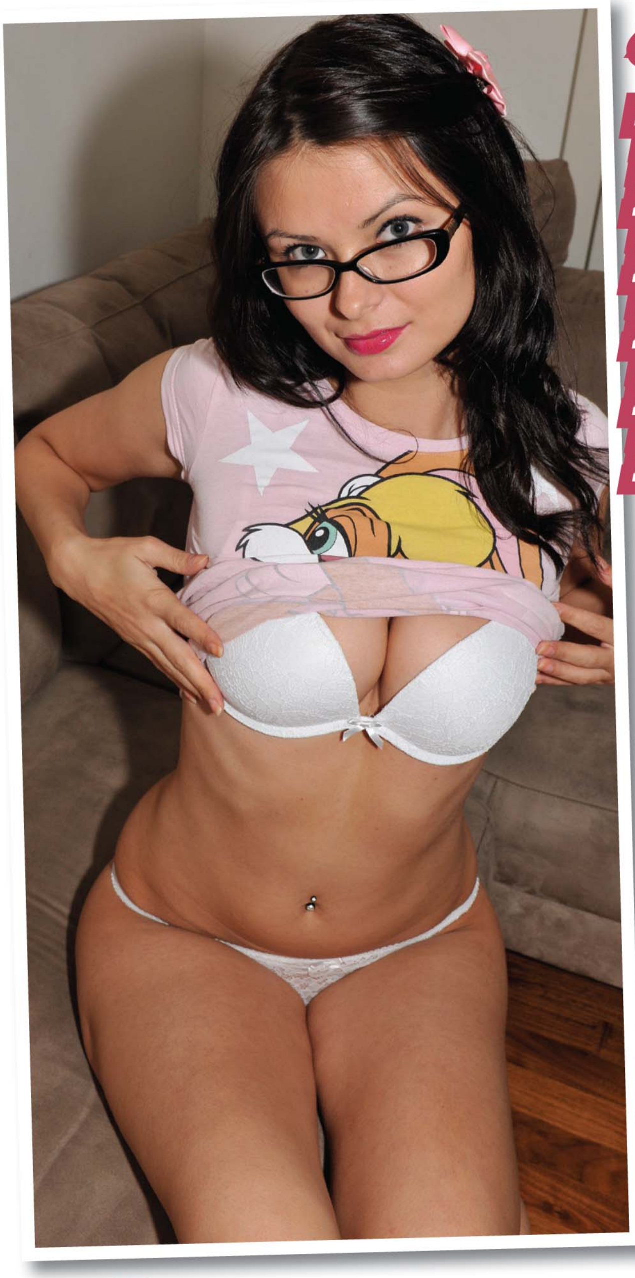
So we lubed up Simon's cock and he sank nuts-deep into my arse. It was the best arse-fucking I'd ever had.

So good we're now having a full-blown affair!

Veronica, Beds.

TRUE CON

TAKE IN SPLODGERS



> “I SPREAD HER LEGS THEN STARTED EATING HER OUT, WHEN I’D GOT HER A BIT MORE EXCITED I SWIVELLED ROUND, PLANTING MY CROTCH ON HER FACE.”

Since me and my brothers left home a few years back, I think my parents have missed having us around, so they started taking in lodgers. It’s usually boys, because that’s what they’re used to, so I was a bit surprised when their latest tenant, Charlie, turned out to be Charlotte.

I first met her when I went to visit for a week. She was 19 and seemed a bit sweet and innocent.

That evening, I took her out to our local and plied her with booze. Then, back at home, we had this really passionate snog on the doorstep. I told her she was gorgeous, but she was pretty drunk too, and I wasn’t going to take advantage. I didn’t want her doing anything she’d regret. I guessed rightly she’d be totally gagging for me by the next night. We went down the pub again and, love her, she switched to soft drinks towards the end, so I couldn’t

FESSIONS

accuse her of being too pissed to fuck. But I still made her wait. Finally, at 2am, having nursed a hardon for the past few hours, I snuck into her room. She was wide awake and very wet and sticky between the legs. I didn't care – I love to fuck a pussy after an orgasm, sinking my cock into the wet, puffy depths of it.

Not that I stuck it to her right away. I'd sat there half the night watching her put on lip gloss, then lick it off again.

She could put that pouty little mouth of hers to good use first. I spread her legs then started eating her out, and when I'd got her a bit more excited I swivelled round, planting my crotch over her face. She could have ignored my hard-on if she wanted, just laid there and enjoyed what I was doing, but she instantly grabbed my tool and started to wank it, opening her mouth so she could rub it against her tongue.

She didn't need any telling to start sucking on it, although she wasn't quite up to taking it deep. But the suction on my helmet was doing it for me anyway. "Just fucking take it," I moaned, in between slurps, my chin and cheeks all wet from her juices. "I wanna be cumming down your throat." So, when I finally started sperming into her mouth, it just made her suck me harder, fondling my balls like she was trying to squeeze them dry. She had the most gorgeous arse on her, all plump and squirmy, perfect for shagging doggy-style.

When I was ready, I had her on the bed opposite the mirror, and couldn't take my eyes off her tits as I ploughed in and out. In the end I just reached underneath her, grabbing myself two handfuls, bumping my cock hard up her until I was flooding her snatch with cum. Then I reached down and gave her clit a little diddle, just enough to get her orgasming around my still-hard prick.

Acting the innocent may have come easy to Charlie, but it was hell for me – let's just say I was well fired up for the next few nights of fun.

When I went home again, my mum kept thanking me for "being nice to Charlie" saying I had a bit of an admirer there. That's one way of putting it!

Danny, Devon.

The boys at the Paul Raymond Towers would quite happily trade in our nice flesh-coloured cocks for a bright purple one if it meant we could slip it in between Lucky's juicy pussy flaps. "Ahhhh that's really sweet of you to say, but my favourite colour cock is black, and the thicker and longer it is, the better. I'll take the whole thing in one go!"

"I guess I kind of look a bit like Ellen Degeneres, and it's safe to say that I love licking out pussy just as much as she does," say Ellen. "Deep down I prefer the feeling of a man inside me rather than a girl's tongue or her fingers but it's nice to shake things up every once in a while. I've seen some of the girls in this month's issue and I'd happily lick each and every one of them out!"

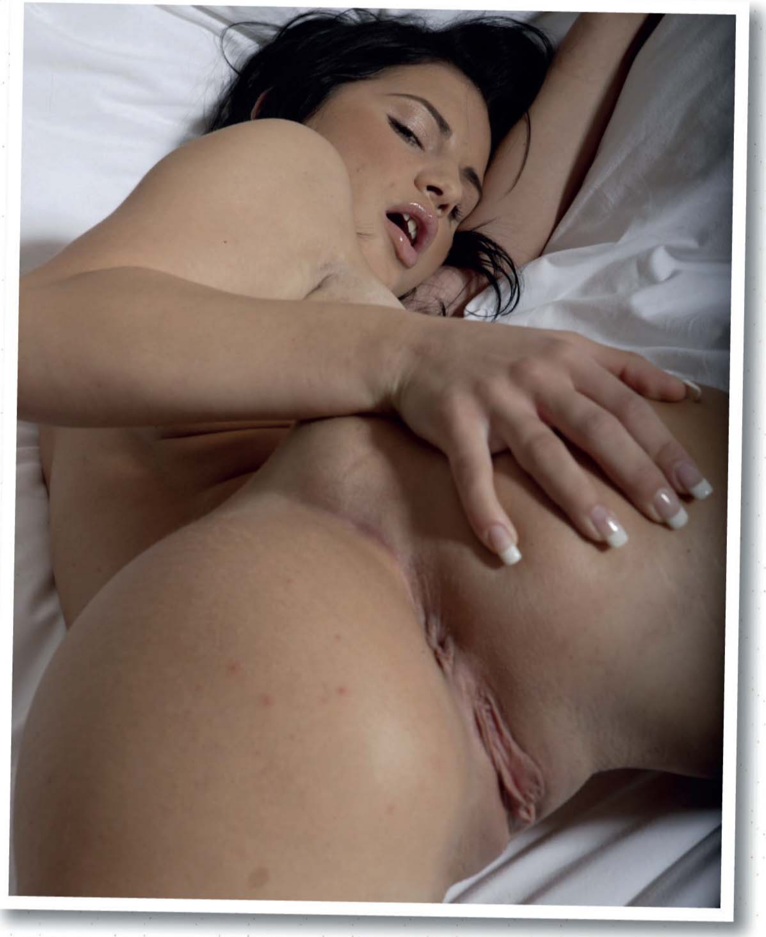
MUFF JUSTICE



My one and only lesbian relationship started as a bit of a joke.

Callie, a mate of mine from college, and I were on the bus home after a gig and these two morons were trying to chat us up.

They wouldn't take no for an answer, so Callie said, "You know we're lesbians?"

Then she gave me a really passionate snog and I played along, feeling her up. Obviously I know now that it was probably a turn-on for them, but back then we were pretty innocent!

It shut the blokes up and I got into it so much I didn't want them to get off the bus because then there'd be no excuse to snog my mate!

Worse, though, when we walked home from our stop, she was a bit quiet with me.

But as we had a coffee together in the kitchen, I realised she was just nervous because she'd liked it too.

Hoping I was doing the right thing, I hugged her from behind. She grabbed my hands then placed them on her boobs.

I fingered her nipples through her top, feeling how stiff they'd already got, then she turned around for another snog.

Up in her bedroom, we undressed – all shy and nervous again – and I just kept staring at her boobs. They were so beautiful, with massive nipples.

The teats really stuck out. I took one in my mouth and when she was well into it, I sneaked my hand into her knickers – a trick the first lad who'd ever fucked me had played. "You ever…?"

"Nope, first time," I said.

She thought maybe we'd better lick each other, then, and we got ourselves in a sixty-nine.

I was a little bit sneaky and selfish and went on top – I just love the way it opens your pussy up over their mouth. But I didn't slack off on sucking Callie's. As she tongued me, I moaned into her muff, but suddenly felt like I was on a mission to make her cum.

She resisted, so I got two fingers up her, and used the other hand to stroke her clit in tight little circles. She orgasmed hard – later she told me that it had never felt that intense before.

I had to satisfy myself that time, but after Callie had recovered a bit, she insisted on giving me a long, slow licking.

It took ages for me to cum, but it felt like the whole room was shaking.

Our lezzie fling lasted a few weeks, then I met the guy I've ended up living with, so didn't get much chance to experiment after that.

I've been thinking about it the idea of fucking other women. Should I go for it?

Fiona, Hull.

My Thai Adventure

Lucky fucker

“I got his cock out over the elastic and started giving him one of my nut-sucking blowjobs.”

I’m now in my final year at college and, as well as knowing I’d have to buckle down to study this year, I also realised this would be my last opportunity for a mega-long summer break. Once I graduate I’ll be looking for a job! So I decided to do Thailand on a shoestring budget, living in a hut on the beach.

I wasn’t sure at first – I’d never stayed anywhere so basic. But I gave it a couple of weeks and ended up loving it, especially when I met a bloke called Daniel. He was Norwegian, probably spoke better English than me, and was fit as fuck!

If it wasn’t paradise it was pretty close – Daniel had the biggest, hardest dick I’d ever played with and just fucking and messing around with each other under the stars – or in the sea when we could get away with it – was such a turn-on.

Obviously we didn’t keep ourselves to ourselves all the time. We met loads of people but had the most fun when another Brit – a lad called Mikey – moved into the hut next to ours. By this time I was all tanned, more toned from all the fucking and exploring we were doing, and used to wandering around with not much on. This made me Mikey’s wet dream. Of course, Daniel – who had an evil sense of humour – got off on me winding Mikey up, wandering around in my G-string bikini and so on.

One afternoon, I was lazing around the hut when Daniel crept in as quietly as he could. “Mikey’s having a wank next door!” he said. I’d been listening to music, but when I switched it off, I could hear him moaning. He didn’t actually call my name but Daniel reckoned he was spanking the monkey over me.

Then Daniel said we should really give him something to get excited over. It was always hard to say no to him, especially when he had a hand down my knickers.

As he diddled away at my clit, I was virtually purring with pleasure. I’m a bit of a moaner and screamer anyway, but this time I laid it on really thick for Mikey.

All Daniel had on was a pair of shorts, so I got his cock out over the elastic and started giving him one of my special, nut-sucking blowjobs. I gave a running commentary right up until my mouth was too full to talk, and then Daniel took over, telling me to suck him good, loud enough for Mikey to hear. The idea of some bloke getting turned listening to us fuck got me all wet down you know where.

We were keeping half an ear open for Mikey’s reaction – and soon realised he was now outside, watching us through a tiny gap at the side of the bamboo window-blinds. And, as far as we could tell, he was still wanking away. “Oi, mate!” Daniel said, sounding scarily English, “Come and join in the fun if you want.” We assumed he’d bolt – I actually felt sorry for the poor sod. But instead he stood exactly where he was and asked if we really meant it. I still had a mouthful of Daniel’s cock, but I nodded an okay.

I was still sucking him when Mikey walked in. He had a pair of baggy swimming trunks on and one hand down them, but I felt my eyes go wide when he pulled out his cock. He was one of those slightly runty little blokes who somehow manage to be massively well endowed.

Even Daniel looked a bit taken aback when I shot a glance up at him.

He responded by placing a hand on the back of my hand and pushing me back towards his cock. I really went for it, taking him in deep and rubbing his bollocks against my chin. Mikey

> “So there I was, on all fours in a beach hut, one big cock pounding away at each end.”

still wasn’t sure exactly what to do so he just stood there wanking away. I got this tingly tightness in my pussy so, as I sucked on Daniel’s cock, I started frigging myself, three fingers up my wet snatch.

At last, Mikey got the message and moved towards me, but Daniel suddenly pulled out of my mouth, got in behind me and stuck his cock into my cunt. Mikey let out a groan, gritting his teeth – frustration or maybe just turned on by what he was seeing.

I felt a bit pissed off with Daniel getting possessive, but I didn’t have to feel disappointed. I licked my lips, moistening them, and Mikey walked round to the front of me, wanking his cock at my eye level.

It looked so huge, the tip of it all purple and engorged, so I started by licking it all over. He tasted sort of meaty and salty, hot against my tongue. I thought he’d blow at any second but when he didn’t, I started sucking him in a bit further, a bit harder.

As I let out a groan, Daniel started giving it to me harder, too. One minute he’d be thrusting in and out really fast, the next, he’d just bury his cock deep in my hole, grinding hard up against my slit and crack. A couple of times he shoved me forward, so I took Mikey’s prick right down my throat. In the end, I curled my fingers round Mikey’s root, giving me some control over how deep I was taking him – you need it with a cock that size! But this also meant I was able to let him just fuck my mouth.

So there I was, on all fours in a beach hut, one big cock pounding away at each end. Daniel slowed down a little bit now, pacing himself, but I kept up the suction on Mikey’s. He didn’t even try to resist. The second I felt that little twitch that said he was close to cumming, he just groaned “Yeah…” and the next second I was taking two ripe bollocks-worth of spunk down my throat. Still reeling from this he made a move for the door, but I told him to stay where he was. I wasn’t finished with him yet. Daniel was fucking me too hard and fast to last, and a couple of seconds later he pulled out, spraying my arse, then using his cock – still hard – to trace patterns in the mess and rub it all down my crack.

I did let Mikey nip out to get his bedroll, then I just lay in between the boys, letting them have their fun with me. I told them the first one to get hard again could do me up the arse, but Mikey settled for fucking my pussy, while burying his thumb in my back door. Daniel just took things easy, wanking slowly until he was ready to take another sucking and, when Mikey shot his load up my cunt, he was ready to take over again. I don’t think there was one time a hard cock wasn’t waiting when I needed one, and I didn’t leave the boys hanging around either.

Unfortunately Mikey was travelling around the country, so we only saw him for a few more days.

After that, Daniel and I kept it one-on-one until he left to go back to Norway. We spent our last weekend together just banging each other senseless – I felt like I was just this massive mess of spunk. But it was the trip of a lifetime and I’m so glad I did it.

"You're never too old to enjoy sex," Gloria tells us. "And when you get to my age and you've enjoyed shagging as much as I have, you tend to lose count of how many men you've invited into your bed, or into the back of your car! I won't lie though; it's getting harder to find guys who want to fuck an older bird. If any of your readers like what they see I'd love to hear from them!"
